## SCS WEEKLY UPDATE

*By: Connor Cassidy, Sailing Director*

This past Saturday was pretty cold for practice. We made it mandatory for anyone who attended practice to be wearing wetsuits as the water temperatures were very cold. During practice we had good winds for working on fine tuning some sail trim skills, roll tacks, and mark roundings.

Two of our sailors (Jackson Bjorkland and Thomas Schuerger) were found on the water for the MYC Big Boat racing on Sunday. We also found a few more sailors out on the water on Tuesday for an impromptu clinic in preparation for our regatta coming up on Sunday in Palm Beach. We are looking forward to competing in our 1st regatta of the Spring season taking place this Sunday! Wish the team luck!

I made a trip out west to San Diego, California this past week to attend the 2020 US Sailing Leadership Forum. The purpose of the forum was to connect leaders from all aspects of our sport such as sail training and education, yacht club and sailing organization management, racing associations and organizations. Pictured above is from Demo Day at the Leadership forum. There was also a mini "Unregatta" put on by Open Skiff.
